A valid membership card must be shown to attend recreational sessions. Members' guests also able to attend on payment of a £3 fee. Members must abide by the recreational swimming rules stipulated by the pool owners, Joseph Rowntree Housing Trust and the NESC Committee.

TEACHING AND COACHING

The 'Learn To Swim' scheme provides swimming lessons for children aged 4 ½ upwards. There are seven ability groups. Lessons take place at New Earswick pool on either a Wednesday or Friday evening or Saturday morning and our children swim for 1 or 2 hours per week (depending on ability group). An additional fee for lessons is paid monthly by standing order. For more details of the scheme please contact Mike Peters (see above) or visit our website.

The coaching programme at New Earswick Swimming Club looks to provide resources for young swimmers aspiring to further their potential at county, regional and national level. The programme looks to address the needs of each athlete throughout each stage of British Swimming's Long Term Athlete Development model as best as possible. Individuals are able to access a comprehensive programme of competition, which is suitable for swimmers of all abilities. We have four squads in our coaching section who train at News Earswick, St Peters and the Mount School pools. An additional fee for coaching is paid monthly by standing order. For further details contact Mike Peters or visit our website.

MASTERS

Our Masters Section provides a structured swimming session for the more mature swimmer. Masters meet every Sunday, at New Earswick Pool, between 4.30-6.30pm. Contact Alan Betteridge 07414 117774

MANAGEMENT

The club management committee are volunteers who are elected every year by members. Teachers, coaches, lifeguards, door supervisors and other officials are all volunteers. More volunteers are always needed. **CAN YOU HELP?**
